

A Training Workshop for Volunteer Emergency Communicators

*Sponsors: ARES of King County
King County EOC Support Team
Pacific Northwest REACT Council
Seattle Auxiliary Communications Service
Western Washington Medical Services Communications*

Date: March 23-24, 2002 Time: 08:00 –17:00

Communications Academy 2002

Emergency Communications: It's A Different World Now –

Two days of training and information on various aspects of emergency communications. Amateur Radio Emergency Service (ARES), Auxiliary Communications Service (ACS), EOC Support Teams, Radio Amateur Civil Emergency Service (RACES), REACT, and others, are invited to participate. Come learn, network, and share your experiences with others. Pre-registration is required because of increased security concerns - see web site below or request a mailed registration form from the number listed below. There will be a \$5.00 per day suggested donation to help defray speaker expenses.

Highlights

- Emergency Management
- Regional and national hazards
- ARRL Emergency Communications Course Review & Testing
- Communications protocols
- Emergency communication team contacts
- Communications van displays
- Field communications practice

NOAA Administration Campus
7600 Sand Point Way NE
